Houston, TX – June 30, 2017 – Kayne Anderson MLP Investment Company (the “Company”) (NYSE: KYN) announced today its quarterly distribution of \$0.45 per share for the quarter ended May 31, 2017.

The distribution will be payable on July 14, 2017 to common stockholders of record on July 10, 2017, with an ex-dividend date of July 6, 2017. The Company estimates that 100% of its distribution for the quarter ended May 31, 2017 will be treated as a return of capital for tax purposes. This estimate is based on the Company’s anticipated earnings and profits for fiscal 2017 (including gains and losses on sales of securities during the six months ended May 31, 2017) and its accumulated earnings and profits as of May 31, 2017. The Company’s estimate does not include a projection of gains or losses on the sale of securities for the remainder of fiscal 2017. The final determination of the tax character of the distribution will be made in early 2018 when the Company can determine its actual earnings and profits for the full year (including gains and losses on the sale of securities for the remainder of fiscal 2017) and may differ substantially from this preliminary information.
