

## KAYNE ANDERSON ENERGY INFRASTRUCTURE FUND ANNOUNCES APPOINTMENT OF MICHAEL J. HENNIGAN AS NEW INDEPENDENT DIRECTOR

Houston, TX – May 12, 2026 – Kayne Anderson Energy Infrastructure Fund, Inc. (the “Company” or “KYN”) announced today the appointment of Michael J. Hennigan as an independent director of the Company, effective immediately. Following the retirements of William R. Cordes and Barry R. Pearl earlier this year, the appointment of Mr. Hennigan brings the Company’s Board to six members, five of whom are independent.

Michael J. Hennigan is a highly accomplished energy executive, with several decades of leadership experience in the refining and midstream sectors. Mr. Hennigan most recently served as Executive Chairman of Marathon Petroleum Corporation (NYSE: MPC) and MPLX LP (NYSE: MPLX) until his retirement in December 2025, having previously served as Chief Executive Officer of MPC and Chairman, President and Chief Executive Officer of MPLX.

Mr. Hennigan joined MPLX in 2017 and has held senior leadership roles spanning refining, logistics and midstream operations. Prior to joining MPLX, Mr. Hennigan was President of Crude, NGL and Refined Products of the general partner of Energy Transfer Partners, L.P. Mr. Hennigan began his career at Sunoco, Inc., where he spent more than three decades in roles of increasing responsibility, ultimately serving as President and Chief Executive Officer of Sunoco Logistics.

Mr. Hennigan currently serves on the boards of The Cigna Group (NYSE: CI) and Nutrien Ltd. (NYSE: NTR). He holds a Bachelor of Science degree in chemical engineering from Drexel University in Philadelphia.

“We are very pleased to welcome Mike to KYN’s Board of Directors,” said Jim Baker, Chairman, President, and CEO. “Mike brings a wealth of knowledge from his long career in the energy industry and extensive experience in the midstream sector. His perspective leading one of the largest and most complex energy platforms in North America will be an invaluable resource to our Board. As the energy and power infrastructure landscape continues to evolve, we believe Mike’s insights will further enhance our ability to capitalize on opportunities and deliver long-term value for KYN’s stockholders,” concluded Mr. Baker.
